

**“LEAVE THE WORLD A BETTER PLACE”**

*– Fred Hollows –*

I warmly invite you to join me with Gabi Hollows for a small gathering at my home to hear about the work of The Fred Hollows Foundation.

The Foundation works hard to keep Fred's dream alive.

Together we can end avoidable blindness. We need your help to train eye surgeons, build eye hospitals and provide essential equipment.

I do hope that you can join Gabi and I as I present some of The Foundation's engaging opportunities.
